

# Connally High School

## Band Placements

Welcome to the Connally Band Fam! Below you will find band placement results. The varsity band is in chair order, the junior varsity band is in alpha order by first name. Students in both bands get an opportunity to try for a spot in the varsity marching band. This is done in late July. All students participate in the stands at all football games.

If you do not see your name on these lists, please contact Mr. Telles immediately so the error can be corrected.

Please be sure to read the summer newsletter and summer band schedule.

Again, welcome to the Cougar Band Family!!!!!!
