Greetings,

The Connally High School Cougar Band is currently seeking donations to supplement costs of travel, uniforms, equipment, props, snacks, and instrument accessories for the 2019-2020 school year. The Connally Band Program is a consistent award-winning music program located in North Austin in the Pflugerville Independent School District. The program consists of a marching band, two concert bands, a jazz band, drumline, color guard, and mariachi and perform at nearly 50 events throughout the school year. Our students come from diverse cultural backgrounds and represent nearly a dozen different countries and ethnicities. Additionally, approximately 70 percent of the Connally student population is economically disadvantaged. Despite the economic challenges our students may see, they continue to work hard, strive to be the very best of the best, and represent the Connally community at the highest level!

Furthermore, the Connally Band students are extremely deserving of the opportunities seen in other communities, and to make this happen, we are looking for your help! We are seeking any level of monetary donation from Connally friends, family, community members, alumni, alumni parents, and local business leaders. Those who donate up to \$99 will be included in all of our concert programs for the 2019-2020 school year. Additionally, those who donate \$100 and above will be included on a plaque that will be displayed in our band hall and on our band website. Any donations will be greatly appreciated! For further questions, please do not hesitate to contact a Connally High School Band Director. Thank you for your consideration and for supporting the John B. Connally High School Band.

Regards,

Marc Telles
